In-Home Care For Medi-Cal Members, Powered By Choice

Whether your member is preparing to leave a facility, living alone, or relying on a caregiver who is stretched thin, gaps in care fall on your team to solve. We help you close them.

How We Help

Agency with Choice
Families choose a caregiver they already know and trust. The result is faster access to care, greater comfort, and more sustainable at home support.

Personal Care and Homemaker Services
Everyday in-home support from a caregiver the member already knows and trusts.

- Bathing
- Companionship
- Dressing
- Meal Support
- Medication Reminders

Respite Care
Gives the primary caregiver a break while a trusted second caregiver steps in.

Who We Support

Member waiting on IHSS initial or reassessment approval.	We can get care started while they wait for approval.
Member maxed out their hours and need additional support.	We can add additional support hours.
Member doesn't qualify for IHSS but needs short term care.	We can cover up to 60 days.
Primary caregiver needs relief.	We provide up to 336 hours of caregiver respite (no IHSS connection required).

Ready to Refer a Member?

We contact the member, confirm eligibility, obtain health plan authorization, and onboard their caregiver.
